Research summary and preceding work (References on last page, 1 figure as Annex is accepted)

Justification of request (Why is the requested beamline the only way to perform the planned experiments?)

A large, empty rectangular box with a thin black border, intended for the user to provide a justification for the requested beamline.

Requested equipment (wavelengths, pulse durations, experimental chambers, apparatus, etc.). Additionally, a one page annex with a sketch of the experiment will be accepted.

A large, empty rectangular box with a thin black border, intended for the user to specify requested equipment and provide a sketch of the experiment.
